¹Definition of "US Person"

- (a) A citizen or permanent resident of the United States (e.g. US Green Card Holder or someone who meets the requirements to be considered a resident under the 'substantial presence test');
- (b) US corporations, partnerships, estates and trusts;
- (c) Any other person that is not a foreign (i.e. non-US) person (as defined under US federal tax law).

²Definition of "Tax Resident" Each jurisdiction has its own rules for defining tax residence, and jurisdictions have provided information on how to determine if you are resident in the jurisdiction on the Organisation for Economic Co-operation and Development (OECD) Tax Residency website. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal mentioned above.

³TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual and is used to identify the individual for the purpose of administering tax laws of such jurisdiction.
